### Mallorca Ref MHF6

This 5/6 bedroom renovated Finca is ideal for a large family or group of friends. The villa is located in the Soller area in the tranquil north west of the Island .The village is charming with a stream running through it and is surrounded by dramatic mountains.

The original stone farmhouse dates back over 500 years and recent additions and renovations have created a lovely spacious family home with all modern amenities.

The property is built around a courtyard with ancient olive trees, a fountain and old well. There is a very large covered terrace with outside dining and comfortable seating area. The grounds are very spacious and include a large orange grove, private swimming pool, a Jacuzzi and a hard tennis court.

The Finca is L shaped and comprises the original farmhouse and the newer extension. In the original farmhouse there is a formal sitting room with feature fireplace, music system and two separate staircases.

There are two bedrooms, a double and a twin, which share a family bathroom with tub and shower, the third bedroom located on the top floor is a double with en-suite bathroom, dressing room and private terrace.

In the newer extension you will find the kitchen and a large library / television room with satellite channels and there is also a wi-fi internet connection. Here you will also find two more bedrooms, both large doubles with sitting areas and en-suite bathrooms.

There is a newly built separate studio with double bedroom, bathroom, kitchen, sitting room and dining room available upon request.

The interiors are charming with a mix of modern and antique Mallorcan furniture. This is a cosy family home and is fully staffed with maid and cook so you can totally relax.
