

ROYAL-VILLAS-EUROPE

from where you are . . .
to wherever you want to be

This traditional Mallorcan finca with 4 bedrooms is ideal for a family with young children. It has pretty gardens and lovely outside terraces with swimming pool area and is within easy reach of the beach and Deia village.

The dining area has a large, long oak table with chairs to seat eight and a cosy living room with a fireplace for the cooler months, satellite television and internet connection. Both these rooms open onto the front terrace with pergola.

All four bedrooms are on the top floor; The Master bedroom with its king-size 4-poster bed and views of the village and sea has a small terrace and en suite bathroom with Jacuzzi bathtub. A double/twin bedroom, also with sea views and an en suite bathroom with shower.

There is a twin bedroom with bathroom with shower and the fourth bedroom is a double. This can be reached via the twin bedroom but also has an independent access from the courtyard. It includes a flat screen television and a split-level study area with broadband connection. The bathroom is in the tower with free standing bath tub.

The 8 x 4 metre swimming pool is at the back of the house and has a small lawned area for sunbathing and another pergola covered terrace.

An ideal family villa in a very popular location.
