

ROYAL-VILLAS-EUROPE

from where you are . . .
to wherever you want to be

This is an ideal spacious 5 bedroom family villa, located above Agrari Beach, offering both tranquility and stunning sea views. The villa's charming interior is simply decorated, beach house style, with local wooden features including various seascape artifacts. The colour scheme is light blue, white and ochre. A fully equipped kitchen with modern appliances gives onto a pleasing living-sitting space directly accessing the swimming pool and its wide terraces.

Next to the pool, a large barbeque plus sculpted table offer guests a perfect pergola-shaded entertaining area. Comfortable outdoor pool deck chairs complete the picture.

A ground level first bedroom, featuring a four-poster double bed and spacious cupboards accesses to the front terrace and swimming pool and shares a bathroom with the second bedroom.

This adjacent second bedroom has two bunk beds, ideal for children. It also directly accesses the pool area. On the upper level, the master bedroom's double bed looks onto own balcony with gorgeous sea and valley views, and has own en-suite bathroom.

The house's lower level has two spacious studios, each with it's own entrance from the garden & en-suite bathroom. Both share two stone stairways leading to the pool area and a very large sea-facing terrace. Each of the bedrooms is air conditioned and the house is equipped with plasma screen television with satellite channels and DVD and CD players.

This attractive family beach house has an appealing simplistic style for an easy relaxed vacation.
