

ROYAL-VILLAS-EUROPE

from where you are . . .
to wherever you want to be

This brand new 3 bedroom villa is located above the world famous Super Paradise beach with beautiful views over the Aegean Sea and beach.

The large pool is surrounded by terraces furnished with high quality teak sun beds and a small bar for poolside snacks and drinks. The covered outdoor dining area has a built in barbeque, dining table and chairs and comfortable seating as well as outdoor music system.

The interiors are of a very high quality contemporary style and are fully air-conditioned. There is a fully fitted kitchen/breakfast room with unusual red and stainless steel units with an arch which leads into the open plan living room with feature fireplace, comfortable leather sofas and plasma screen television with satellite channels, DVD and CD player. The entire property has wireless internet access.

The bedrooms are all on the lower floor and benefit from full air conditioning as well as doors leading out to the terraces.

There are 2 doubles with doors to the gardens and en suite shower rooms and a twin with doors to the gardens and en suite shower room.

This is a beautiful and functional villa for a family and is in one of the most sought after areas of the Island yet close to beaches, airport and shops.
