Perched above Mykonos town with its picturesque view of the old port, these three attached charming homes are the perfect close-to-town residence. The properties have been built, decorated and equipped with the same architecture, matching style and amenities of the Parenthesis Villa Resort in Agios Ioannis. The swimming pool, which is shared amongst all guests, is located on the side of the premises and enjoys stunning views of Mykonos and the Aegean Sea. A large shared pergola with outdoor dining, comfortable teak sun beds and umbrella is also available to all guests for sunbathing and relaxing by the poolside.

Each house has a similar layout and equivalent style. On the upper floor, a cozy living room with formal dining area and open plan kitchen lead to a terrace with striking town and sea views, perfect for a sunset cocktail or a late al fresco dinner. The lower floor holds the sun-drenched bedrooms, most of them with double beds or joinable twins and en-suite bathrooms. Some of the bedrooms open directly on to the garden, also connected to the pool area.

Blessed with the amazing colors of the Aegean's sunset, the houses are within walking distance to and from Mykonos town, making it the ideal choice for those wishing to enjoy the Island's renowned nightlife or simply wanting to enjoy a glorious breakfast in one of the cafes by the old port.
