

ROYAL-VILLAS-EUROPE

from where you are . . .
to wherever you want to be

This beautiful 5 bedroom villa is part of a private complex located in the area of Kanalia, on the Northern tip of the Ano Diakoftis peninsula. The freshly renovated property boasts views stretching from the historical island of Delos to the Northern part of Mykonos.

The interiors feature contemporary furniture throughout where the smart dashes of contrasting colors blend perfectly with the predominately white spaces. The main level features the bright living room, which is directly connected to the panoramic dining room. This level also includes a modern, fully equipped kitchen and a guest bedroom. The lower level is composed of three bedrooms, as well as a recreational/library area. Also on this level, but with a separate private entrance, there is a one bedroom studio

The outdoor areas are very spacious, with private infinity pool and covered dining and lounge area, which include a proper outdoor kitchen and barbeque. The great presence of summer furniture ensures relaxation in any spot of the large pool terrace and its surroundings.

This is a lovely retreat for guests wishing to spend their vacation in a fresh ambience with all amenities and comforts, pampered by a discrete live-in staff.
