This is a lovely renovated 5 bedroom villa located in the area of Kanalia on Mykonos. It is perched in a slightly elevated position which allows guests to enjoy views that stretch from the poetic island of Agios Georgios and the Aegean Sea to the North eastern tip of Mykonos and Tinos in the distance.

The outdoor spaces include a generous pool terrace with design summer furniture, which surrounds the villa's infinity swimming pool. An attractive pool bar, a shaded pergola for outdoor dining and a built-in barbeque have thoughtfully been built to inspire relaxation and dining at any time of the day.

Large spaces are also a recurring theme throughout the interiors; the main level features a large living room with direct access to the pool terrace, a stylish dining room, the fully equipped kitchen and a guest bedroom. The master bedroom boasts a charming four-poster bed and its own private terrace has a level of its own, up a brief staircase from the main level.

The lower level of the property could be viewed as another villa, thanks to the presence to a large kitchen with connected living/dining area and two bedrooms. All rooms on this floor have access to small patios and the outdoor spaces in general. Also on the lower level is a studio with separate entrance. Ideal for a couple seeking privacy, the studio features a double four-poster bed, a small living area and a small kitchenette.
