from where you are . . .
to wherever you want to be

This is a private compound of four lovely properties sharing a magnificent pool and garden, located in the picturesque and exclusive area of Agios Ioannis, just minutes away from the beach.

Villa 1 is the bottom right villa of four properties and, built on one level, is surrounded by a plenitude of unusual types of cacti and flowers. The interior, open-plan kitchen, sitting and dining area is tastefully decorated with antique wooden furniture and white upholstery. The bedrooms have direct access to the villa's front garden and pool area. The master bedroom features a beautiful antique double bed, with own en-suite bathroom and a large walk-in closet.

Villa 2 is the bottom left villa of the compound. The attractive living room with open-plan kitchen opens to a lovely pergola overlooking the sea, just few steps away from the cacti garden and the pool. The interior is similar to Villa 1, however, the house is built on two levels and the bedrooms, located on the upper floor, have direct access to a veranda with sea views.

Villa 3 is the upper-left villa of the compound. Guests can enjoy breathtaking views from the roof terrace, equipped with comfortable deck chairs and outdoor lounge. The interior is a warm mix of white and natural wood colors. The villa features a large kitchen, a spacious living room and three stylish double bedrooms with en-suite bathrooms.

Villa 4 is the upper-right villa and it has a very large veranda with beautiful views of the surrounding area and a shaded pergola for outdoor dining. The interior has a large open plan kitchen, a formal dining area and a living room with bare rock walls. Two of the bedrooms are located on the upper floor, with access to a roof terrace with complete privacy whilst the third bedroom is on the ground level.

The elegant shared pool located just few steps away from each villa, has a rather large rounded shape and displays on the water's edge a rare gigantic aged Saguaro. The pool area is well equipped with teak deck chairs and umbrella for guests' sunbathing and relaxation. These villas are recommended for large groups or families, looking for four independent villas, each with own privacy if needed, sharing one large and beautiful pool.
