The Estate of Castello di Reschio

We are delighted to present Reschio, a private estate of 3,000 acres sitting on the border of Tuscany and Umbria. Scattered across the rolling, unspoilt landscape are a selection of privately owned luxury homes, several of which are available to rent for a unique holiday experience.

Located on a hilltop with panoramic views across the valley you will find this lovely converted chapel, now a romantic hideaway for two. Unlike many smaller properties this offers large gardens and a 12 x 6 metre private swimming pool with pool house and adjacent pergola covered dining area. The small tower has a private roof terrace with 360 degree views and spacious living areas. The accommodation is open plan and very light and airy.

The bedroom with 4 poster king size bed has an en suite bathroom with tub and overhead shower. The sitting area with feature fireplace has Bang & Olufson television with Sky satellite and DVD player. The compact but well equipped kitchen opens on to the private terrace with outside dining and access to the roof terrace. A charming and beautifully decorated property with every possible amenity including w-fi internet access.

The estate offers superb facilities including its private restaurant, in villa dining, horse riding, a tennis court nearby in the woods and concierge service.
