

ROYAL-VILLAS-EUROPE

from where you are . . .
to wherever you want to be

Perched upon a cliff top, 100 metres above Bali's pristine southern beaches and rolling surf, these luxurious brand new villas benefit from unobstructed views of the Indian Ocean.

The villas are in a hotel style resort offering the very highest standards of quality, service and accommodation with each villa enjoying its own private Balinese walled garden and pool yet sharing the many facilities the resort has to offer including a world class restaurant and bar, breathtaking infinity edge swimming pool, clubhouse, library and spa.

There is a choice of one, two three or four bedroom villas, each with a large open plan living pavilion with a fully fitted and equipped "SMEG" kitchen, dining area with handcrafted teak table and a comfortable living area with sofas, satellite television, DVD and surround sound music system.

Each bedroom has a private en suite bathroom with all bedrooms other than the master having both an indoor bathroom and an outdoor tropical garden shower.

The charming and helpful resort management are on hand to help organise a variety of excursions and activities including boat trips, diving, cultural visits and shopping trips. In villa dining can be provided by resort chefs and for that special occasion we recommend the villa courtyard barbeque with a variety of freshly caught local seafood.

These villas are a superb option for romantic escapes, family holidays or a group of friends wishing to experience the magical culture of this beautiful and peaceful Island.

PLEASE NOTE that visitors to Bali must possess a passport valid for at least six months upon arrival and proof of onward passage. Visa requirements are determined by nationality. Visitors are advised to check with their nearest Indonesian embassy or consulate prior to departure for visa requirements.
