This is the epitome of the words “Beach House”. A charming 2 bedroom villa overlooking the sandy beach at Bidart just a few minutes drive from the centre of Biarritz and a short walk from the beach and a number of restaurants. The villa is set in pretty gardens and has wonderful views of the Atlantic Ocean and the beach giving a completely calm ambience.

From the parking area you enter the ground floor open plan living area with huge sitting room featuring a working fireplace, flat screen TV with satellite channels and DVD as well as wifi internet access. There is a beautiful wooden dining table next to the fully fitted kitchen with breakfast bar and stools.

The master bedroom is also on this level and is a double with sitting area and en suite shower room. Upstairs, reached by a spiral staircase is a double bedroom which also has 2 single beds and its shower room is on the ground floor.

Outside is a decked terrace with sun loungers and outdoor dining and stunning sea views. A little gate from the lower lawned area leads to a decked walkway down to the sea.

A lovely villa for a small family or 2 couples.
