This is a charming newly renovated 6 bedroom home located within walking distance of the Place des Lices and the port and is just ten minutes by car from a number of beaches. It has been stylishly furnished with mid century tones and is beautifully maintained.

Entering the property you walk down an alley of agapanthus shaded by large trees. The house can be accessed from the front and side entrances directly into the open plan living room. On this level there is a well equipped modern kitchen with two pantries and a winter dining room.

On the first floor there are three bedrooms, one is a large double with en suite bathroom and the other two are a twin and a double both with showers and basins, these bedrooms share a WC. One flight up is the master suite with double height ceilings, en suite bathroom and its own office and terrace. The office has a small single bed suitable for a child. In the attic there is a bedroom with four beds suitable for children and this bedroom has its own shower room.

There are two further charming en suite bedrooms in the garden.

The pool area is large and has several areas for relaxing and sunbathing. There is a large outside table and barbecue for alfresco dining.

The house is bright and airy and has been featured in several interiors and architectural magazines and is ideally located close to the lively town and beaches.
