A most exquisite 7 bedroom air conditioned villa with superb South facing views of the Aegean Sea. The focal point is the large, irregularly shaped infinity pool surrounded by terraces including a pergola shaded lounge area and dining table next to the barbeque.

The villa sits in private gated grounds and the landscaped gardens have recently been completely replanted with a variety of local Mediterranean varieties creating a soothing yet sophisticated retreat.

The interiors are very cool and relaxing and there is much modern art combined with more traditional and elegant furnishings. The main entrance leads directly to the large bright living room which has comfortable sofas, flat screen television with satellite channels and DVD player. Here also is the dining area and state of the art kitchen with stainless steel appliances. Three of the bedrooms are also on this level and are doubles with en suite shower rooms and access to the pool terrace.

On the first floor, reached by a grand staircase, are two further bedrooms, one double and one twin. The double has an en suite bathroom with Jacuzzi bath and separate shower, a feature fireplace and access to a private terrace with superb sea views. The twin has a lovely sea view and en suite shower room.

From the pool terrace there is an independent studio which has its own brand new fully fitted kitchen, sitting and dining area, bedroom and shower room as well as a private terrace. This is an ideal place for those wishing some peace and privacy. There is a further independent studio with living room and kitchenette on one of the lower terrace levels.

Also on this level is an enormous entertainment area with feature bar, table tennis, table football and a small gym.

This is not only an ideal property for a relaxing holiday but the sheer size of the terraces and grounds makes it very suitable for a variety of events such as weddings and special celebrations.

The charming and discreet villa managers live in a separate part of the property and ensure that it and the gardens are kept in an immaculate condition.
