- 5 AIR CONDITIONED BEDROOMS
- 5 BATHROOMS
- PRIVATE SWIMMING POOL
- PANORAMIC BEACH AND SEA VIEWS
- 1.5KM FROM BEACH

This recently new 5 bedroom villa is located above the world famous Super Paradise beach with beautiful views over the Aegean Sea and beach.

The large infinity pool with built in Jacuzzi is surrounded by terraces furnished with high quality teak sun beds and a small bar for poolside snacks and drinks. The enormous covered outdoor dining area has a built in barbeque, dining table and chairs and comfortable seating as well as outdoor music system.

The interiors are of a very high quality contemporary style and are fully air-conditioned. There is a fully fitted kitchen/breakfast room with unusual red and stainless steel units, the dining room with door to terrace and an arch which leads into the open plan living room with feature fireplace, comfortable leather sofas and sea views. A couple of steps lead up to the television room which has comfortable sofas and a plasma screen television with satellite channels, DVD and CD player. The entire property has wireless internet access.

The bedrooms are all on the lower floor and benefit from full air conditioning as well as doors leading out to the terraces. The master double has a huge en suite bathroom with circular tub with overhead shower and intriguing ceiling lights made from coloured glass bottles. The remaining bedrooms are 2 twin/doubles and 2 doubles, each with en suite shower room.

This is a beautiful and functional villa for a large group and is in one of the most sought after areas of the Island yet close to beaches, airport and shops.
