This 5 bedroom villa is a chic, one of a kind property located on the hills overlooking the Pevero Golf Course and the bay of Cala di Volpe. Carved on the hill, it opens onto its magnificent terrace and the swimming pool affording a breathtaking view. Simplicity and use of local, handcrafted materials are the Architect Savin Coulle's signature, enhancing both the interior and the exterior details and shaping the elegant and exclusive character of this villa.

Finely worked wrought iron ornaments, fixtures and frames from handcrafted wood but also ancient pan tiles, stone and handcrafted terracotta-tiled floors. Its aesthetic is characterized by organic, curving shapes and rough-hewn materials. The interior is cool and airy and has been decorated in a rustic style with beamed corners and light pastel colours. The secluded position provides absolute peace and ensures full privacy.

On entry level are the living room, TV area and dining area as well as the fully equipped kitchen. Also on this level is the first of the bedrooms, a double with en suite bathroom with tub and shower and dressing area.

On the lower ground level are 2 further double bedrooms each with an en suite shower room. The final 2 bedrooms are on the first floor and are again doubles with en suite shower rooms.

Outside are the landscaped sea-view gardens, fully equipped verandas and terraces around the swimming pool making this a lovely secluded holiday home.
