It is an elegant and fresh house, with ample indoor and outdoor spaces and a contemporary Mediterranean feel. The property is on one floor and comprises a large living room opening onto the covered terrace equipped for both relaxation and outdoor dining, the swimming pool and the garden.

There is also a dining area and a fully equipped kitchen, 3 large double bedrooms with en-suite double bathrooms and a sea-view rooftop equipped for relaxation and dining as well.

Adjacent to the swimming pool is a guesthouse with double bedroom and shower room. The property is gated and air-conditioned.

Porto Rotondo, along with Porto Cervo, is an elegant and exclusive resort in Northern Sardinia, developed in the 1960's by the Aga Khan whom created the myth of Costa Smeralda, Emerald Coast. Porto Rotondo is even more special than Porto Cervo, being very selective and far more discreet.
