This beautiful, modern 7 bedroom villa is located on the west side of the island and is surrounded by pine trees and olive groves and has year round sunsets with dramatic views.

You enter the property by an electronic gate driving up a short driveway to the house. There is parking for several vehicles in the car park and in front of the entrance. On the ground floor there is a kitchen with island, a very large refrigerator, ice maker, freezer and high end cooking facilities. The kitchen is next to the large dining area which can accommodate up to twenty guests. The dining room opens to both the exterior dining terrace and the pool terrace.

Below the dining room there is a double height living room with fireplace and flat screen television. There are three beautiful suites and four further large double bedrooms all with terraces and bathrooms en suite. There is also an office with wireless internet and large desk space. On the first floor in the west wing of the house is the master suite which is fifty-five square meters and has a one hundred and twenty square meter terrace with sea views and chill out area. The master suite has an en suite bathroom with bath tub and shower.

In the east wing on the first floor there is another suite that is forty square meters with it's own terrace and en suite bathroom and an additional en suite double room with private terrace. The pool terrace is stylish and large with fabulous sun beds and a shaded chill out area. Below the pool there is a gym and a Jacuzzi.

The villa benefits from air conditioning, Wi Fi, TV's with DVD's in each bedroom, a gym and hammam.
