This beautiful 6 bedroom modern villa has one of the very best views of the entire island, overlooking the beach of Es Cubells and out to sea. Situated in the cliffs, the property shares a private pathway down to the sea where there is a small pier and jetty, ideal for mooring a boat or using for diving and swimming. The villa is approached via steep track so a 4x4 vehicle is recommended. Modern interiors with white walls and polished concrete floors make this a wonderful stylish holiday location only minutes from the famous Es Cubells beach and restaurants.

The villa is luxuriously furnished with local furniture blended with Asian antiques and paintings and the spacious open plan living room has a fireplace, satellite TV and indoor dining room, both of which have glass walls, with spectacular views out to sea. Adjacent is a small modern kitchen. The master bedroom on the first floor has an en suite bathroom with sunken bath, shower and private terrace. On the same floor is a twin and double bedroom that share a bathroom.

There is another large suite up one level this has an en suite bathroom and its own terrace. The other two bedrooms, both doubles with en suite bathrooms, one with private terrace, are located on the ground floor.

The jewel of the villa is the fabulous pool deck with turquoise 18 x 5 metre swimming pool, huge loungers, outside dining under a white sail cloth canopy and kitchen BBQ with sound system.

There are three separate dining and lounging areas placed around the deck, which is perfect for entertaining and taking in the breathtaking views at sunset.
