Just minutes from the popular and beautiful town of Portals, with its marina and high end shops, sits this majestic 5 bedroom villa designed by an Italian architect. The entrance with electric gates and cctv, in a quiet and residential area is both secure and impressive.

Marble stairs lead down from the elevated parking to a courtyard below holding oversized plant pots with orange and lemon trees, arched mirrors and a water feature. The chequer board black and white marble all around the beautiful façade is continued throughout the house and leading onto the stunning front terrace with large swimming pool and Jacuzzi, "Roman" columns and stone walls.

After passing through double glass and wooden doors, marble floors fan out onto four of the five bedrooms with en-suite, and front terrace with panoramic views of the sea and Bendinat golf course. A glass elevator, as well as a sweeping stair case leads down onto the open plan living area below offering a selective collection of art and sculptures.

The two main bedrooms to the front of the house have their own terrace with stunning views of the golf course and sea, one bathroom is open plan and the other enclosed. Both have large flat screen televisions with satellite TV. There are two further bedrooms on this level, both are en-suite, one of which has its own entrance with stairs down to the kitchen. There is a fifth bedroom on the ground level, with en suite bath and shower.

The marble open plan living area on the ground floor, houses a 10 seater dining table, white leather sofa, cushions and arm chairs around a mirrored coffee table facing an open plan fireplace and large flat screen television and floor to ceiling art and sculptures continue to intrigue throughout all areas of the villa. Along this entire floor are sliding glass doors opening onto the swimming pool area. There is a professionally equipped kitchen as well as an extra drinks fridge, pantry and equipped laundry room.

This is a beautiful and private villa in a very quiet area yet just a few minutes' drive from Portals Nous and Puerto Portals with a wide selection of shops, bars and restaurants.
